Current/ongoing Ministry

- Fasting service
- Cell group fourth Sabbath prayer
- Bursary for post-secondary education for Jamaican students

We continue to fundraise for the Joyce Lyons bursary which to date has helped several students further their education.

The women's auxiliary is divided into nine different cell groups each named after the fruits of the spirit, every fourth Sabbath the members of one of the cell groups sets the atmosphere for prayer and leads the members of the auxiliary into prayer and fellowship. To feed our spiritual thirst fasting services are being planned individually and collectively.

Looking ahead:

- Annual prayer breakfast
- Fundraising event

Our women's auxiliary planning committee will meet at various times throughout this year to finalize fundraising event plans. This year marks the end of a two Years of leadership for the current president and vice President we plan to have elections in September however newly elected leaders will only begin leading in January of 2019 in order to have new plans not coincide without going leaders plans.

Needs/problems arising:

Commitment to our dues, commitment to our commitments as women continues to hold us back.
